INTERNATIONAL AEROBATIC CLUB
JUDGE / ASSISTANT JUDGE LOG

Name: _____

IAC No: _____

NOTES

Please keep track of your judging activity carefully as this log, if signed by the Chief Judge for each entry, can be used to verify your judging activity against your judging records from the official IAC database, a print-out of which will be included each year with your IAC Revalidation and Currency (R&C) examination each year. It may also prove helpful in reconstruction of incomplete or lost contest records at a later date.

Please refer to Section 2.6 and 2.7 of the "IAC Official Contest Rules" for the qualifications and currency rules for becoming an IAC regional or National Judge.

If you have any questions regarding your judge qualifications, please contact the Judges Education and Certification Chairman.
